

Third Workshop

Wednesday, February 14, 1:30-3:30 PM

Agenda

Welcome and Introductions

Project Update

Review of Call for Project Results

Next Steps

The Houston Area Urban Forests project is a collaboration between the Houston-Galveston Area Council, The U.S. Endowment for Forestry and Communities, Inc., American Forests, and local partners. The project promotes regional cooperation on maintaining and expanding urban forests in the greater Houston area. For more information, please contact Justin Bower at 713-499-6653 or Justin.bower@h-gac.com.
